Section 1. Applicability of Ordinance.

1.1 This Ordinance applies only to (collectively, the "Real Estate"):

- A. The real estate generally described as Lots 6 and 8 within Parcel C of the Viking Meadows PUD Ordinance, and more particularly described in Exhibit A attached hereto (the "Valley View Lots");

- C. Lot #75 of Meadowlands at Viking Meadows Section Three, per the plat thereof recorded as Instrument # 2012048851 in Plat Cabinet 4, Slide 794, on file in the Office of the Recorder of Hamilton County, Indiana; and

- 1.2 Any provisions of the Viking Meadows PUD Ordinance or Zoning Ordinance that conflict with the provisions of this Ordinance are hereby rescinded as applied to the Real Estate and shall be superseded by the terms of this Ordinance. All other provisions of the PUD Ordinance not affected by this Ordinance shall remain in effect with the adoption of this Ordinance.

Section 2. **Definitions.** Capitalized terms not otherwise defined in this Ordinance shall have the meanings ascribed to them in the Viking Meadows PUD Ordinance or as otherwise ascribed to them in the Zoning Ordinance.

- 2.1 Original PUD Ordinance. Shall mean and refer to The Viking Meadows Planned Unit Development District Ordinance recorded as Instrument No. 200500022608 in the Office of the Recorder of Hamilton County, Indiana and adopted by the Westfield Town Council on June 14, 2004 as Ordinance No. 04-22.
- 2.2 Viking Meadows PUD Ordinance. Shall mean and collectively refer to the Original PUD Ordinance and the Viking Meadows Planned Unit Development Amendment Ordinance recorded as Instrument No. 2011010175 in the Office of the Recorder of Hamilton County, Indiana and adopted by the Westfield City Council on December 13, 2010 as Ordinance No. 10-30 (the "Viking Meadows PUD Amendment Ordinance").

Section 3. **Valley View Lots' Architectural Standards.** Exhibit 19 ("Architectural Standards – Parcel C") of the Original PUD Ordinance is hereby amended and superseded with the attached Exhibit C ("Architectural Standards – Parcel C") for the Valley View Lots.

Section 4. **Parcel A and Monon Trail Buffer.**

- 4.1 Monon Trail Buffer. Section 4.4(B)(i) of the Viking Meadows PUD Amendment Ordinance shall be replaced and superseded with the following: "At the time the lots in Parcel A adjacent to the Monon Trail (the "Trail Adjacent Lots") are developed, the Developer shall plant a quantity of spruce trees, a minimum of seven (7) feet tall at planting, equal to an amount not less than that which would have been installed if the trees were planted in a single row of fifteen (15) feet on center along the entire rear of the Trail Adjacent Lots abutting the Monon Trail

(such trees shall hereinafter be referred to as the "Base Planting"). The trees that are part of the Base Planting shall be located with the intent of enhancing the existing Monon Trail vegetation and planted in a natural and staggered/irregular row pattern (e.g., not installed in a systematic single row)."

4.2 Supplemental Plantings. In addition to Base Plantings required in Section 4.1 above, supplemental plantings in excess of the Base Plantings shall be installed along the rear lot line of the Trail Adjacent Lots to supplement the Monon Trail Buffer and the Base Planting and to fill gaps in the existing vegetation along the Monon Trail ("Supplemental Plantings"). The Supplemental Plantings shall be planted as follows:

- A. Prior to completion of the development of the Trail Adjacent Lots, Developer shall clean up the existing vegetation and plant material along the rear of the Trail Adjacent Lots, excluding Lots 63, 64 and 65 in the plat of The Meadowlands at Viking Meadows, Section Two, that abut the Monon Trail by removing all undesirable and invasive species of shrubs and brush in a manner reasonably calculated to permit newly planted trees to thrive, and preserve, to the extent reasonably possible, all desirable and mature trees.
- B. Upon completion of the cleanup of the existing vegetation and plant material in Section 4.2(A) above, but prior to completion of the development of the Trail Adjacent Lots, Developer and a representative selected by the existing Viking Meadows Homeowners' Association Advisory Board shall meet on site and walk the rear of the Trail Adjacent Lots to determine the quantity and location of the Supplemental Plantings. The location and quantity of the Supplemental Plantings shall be done with the intent of enhancing the Monon Trail Buffer and filling gaps of the existing Monon Trail vegetation. The quantity and location shall be subject to best practices and development considerations such as easements, storm drainage, lines of sight, and property owner consent
- C. The plant species shall be determined by the Developer and selected from the City Parks' Department list of approved species (the "Approved Species").
- D. The exhibit attached hereto as Exhibit D (the "Preliminary Monon Vegetation Plan") illustratively depicts the Monon Trail Buffer, including Base Plantings and potential Supplemental Plantings. Notwithstanding anything in this Section 4 to the contrary, the maximum number of Supplemental Plantings to be installed by Developer shall not exceed eighty-six (86) plantings, which is twice the number of Supplemental Plantings shown on the Preliminary Monon Vegetation Plan. Supplemental Plantings shall be an Approved Species.

- E. Within thirty (30) days after the walking of the rear of the Trail Adjacent Lots to determine the quantity and location of the Supplemental Plantings by Developer and a representative of the existing Viking Meadows Homeowners' Association Advisory Board as required in Section 4.2(B) above, Developer shall submit to the Economic and Community Development Department of the City of Westfield a final landscaping plan (the "Final Monon Vegetation Plan") that shows the location, number, species and size at planting of all Base Plantings and all Supplemental Plantings with an acknowledgement from the representative of the existing Viking Meadows Homeowners' Association Advisory Board as to its accuracy. Installation of the Final Monon Vegetation Plan shall (i) become a requirement of the Viking Meadows PUD, and (ii) be completed no later than the end of the first planting season that occurs after the commencement of construction of the Trail Adjacent Lots.

Section 5. Meadowlands Section One Buffer.

- 5.1 Section 4.4(A)(ii) of the Viking Meadows PUD Amendment Ordinance shall be replaced and superseded with the following: "In addition, a staggered double row of spruce trees, a minimum of seven (7) feet tall at planting, with each row's trees planted thirty (30) feet on center and five (5) feet between the two rows, shall be planted in a landscape easement immediately south of Lots 33, 34, 35 and 36 of Meadowlands Section One. The width of the landscape easement shall be determined by the Developer at the time of platting the section of lots south of Lots 33, 34, 35 and 36; however, the landscape easement shall be a minimum width of fifteen (15) feet."
- 5.2 The Minimum Lot Area for Lot 75 within the Meadowlands shall be ten thousand (10,000) square feet.
